PROFESSIONAL EXPERIENCE

Alston & Bird LLP

1L Summer Associate, Real Estate Practice Group

Los Angeles, California

June 2026 – July 2026

- Prepared a title review for a \$750 million lender-side commercial loan, identifying a time-sensitive government drilling-right provision and distilling other title matters.
- Summarized the corporate structure and flow of funds of 18 subsidiaries in a complex Shariah-compliant real estate deal.
- Created lease reviews of a shopping center, examining terms across eight tenants and multiple property-use restrictions.

Alston & Bird LLP

SEO Summer Associate

Los Angeles, California

May 2025 – July 2025

- Drafted a motion for judgment on the pleadings for a federal privacy and copyright case.
- Researched legal questions surrounding the exercise of personal jurisdiction in online spaces across states.
- Created a spreadsheet that tracked ongoing oil litigation to present the legal landscape of oil lawsuits in California.

AMJAAD Investments USA

Project Manager

Diamond Bar, California

January 2024 – February 2025

- Assisted with the acquisition of new contracts for AMJAAD USA's health and fitness division.
- Responsible for research and strategy in a franchise deal to bring an American gym to the Omani market.
- Developed data sets and polls to organize the allocation of resources from the franchisor to the franchisee.

Social Justice Center, El Camino College

Administrative Assistant

Torrance, California

January 2023 – September 2023

- Oversaw a team of ten staff members to organize daily and weekly tasks in connection with center goals.
- Managed logistical needs for events including schedule, floor plan design, and collaboration.
- Incorporated ASL interpreters into event procedures and started a food pantry at the center.

KEAS Program, El Camino College

English Tutor

Torrance, California

August 2018 – December 2020

- Worked with low-income, disabled, and international students to improve their reading, writing, and analytical skills in English and Political Science courses.
